

Jesmond Nursery

The existing outdoor play features and facilities had become dilapidated and weathered, so the project consisted of:

- Repainting the fencing,
- Removing existing timber fencing and replacing with metal sections,
- Repainting a walkway in multi-colours,
- Constructing a seating area,
- Installing two gullies and drainage in the car park,
- Taking down and rebuilding a garden wall,
- Hanging six acrylic mirrors,
- Laying new artificial grass
- Installing log seats and a story teller's seat
- Landscaping & planting
- Fitting heavy duty hangers for tricycles
- Fitting bird boxes and constructing "beastie boxes"
- Replacing and protecting blackboards

The works were completed on time to the Clients high standard and within budget.
